All-inclusive Tuition Fees

Our fee structure continues to incorporate all compulsory events, incursions and excursions in a single all-inclusive fee that reflects the increasing cost of education as students' progress through their schooling journey. There will be no additional charges applied to your account throughout the year, apart from the purchase of Chromebooks for the High School and certain student choice projects in Wood/Food Tech.

Payment Options

School fees are due and payable on the 1st day of each term. On that understanding parents/carers can arrange payment of their fees in an agreed form and timeframe. Payment may be made on a weekly, fortnightly, term or a yearly basis as agreed.

Financial Support

Fee relief application forms are available to all school families where two or more children attend school. We recognise that with more than one child at school, there is a greater need for assistance. See the Finance officer for further information.

* Fees are reviewed annually and therefore the fees may be subject to change.
